Sub:- Submissions of Objections and Suggestions
against Submission of ARR Tariff Proposals
for the F.Y. 2024-2025 - Regarding
Pt- (1) OP NO: 72/2023 and 75/2023; (2) 71/2023 and 74/2023 and
(3) 73/2023 and 76/2023 Dt-3 11/12/2023

We the AP State Hire Working (Non Trading) Rice Millers Association, like to
invite your kind attention to the subject matter and we submit the Submission
of ARR Tariff Proposals F.Y. 2024-2025 by the 3 "Discoms" in the State of AP, was
totally far from natural justice and law there in. And our Association, Submitting
our objections and suggestions as follows —

Objections

- (1) When the supply of Power by the 3 "Discoms" in the State of AP, to Vidyuth consumers for
all categories and Slabs was in only one Pattern and in one manner and then, How
and under what Rule; Law and authority the 3 "Discoms" in the State of AP, will fix the
Unit charges, in such heavy different Rates in between one and other sub-categories and
Sub-slabs? - This must be Reversed.
- (2) The Total Submission of ARR Tariff Proposals for the F.Y. 2024-2025, were all
far from Natural Justice and law and we request this must be Reversed totally, rejected
in the interest of Vidyuth consumers and this must be Reversed clearly.
- (3) How and under what Rule; Law and authority, the 3 "Discoms" in the State of AP, Dividing
the consumers categories and Slabs in to some Number of sub-categories and Sub Slabs?
This must be Reversed and Repeal the Same.
- (4) How and under what Rule; Law and authority, the 3 "Discoms", will collect the Unit
Charges in such heavy different Rates in between one and other, APEPDEL; APSPDEL
and APEPDEL, than the Unit charges fixed for the F.Y. 2024-2025, in L.T category, as they
like against the Submission. This was against to Natural Justice and law there in.
- (5) When the 3 "Discoms" in the State, fixing the Unit charges by taking all kinds of expenses
A to Z, to supply one (1) Unit of Power to Vidyuth consumers, then How and on what
Rule, Law and authority they collecting other sub-slabs charges, in addition to Unit charge
to pay the Same in the name of some other expenses?
- (6) The EP charges being collected by enhancing the Same from Rs. 00-00 to Rs. 01-00 (one Rupee)
is it a thing violating the Law there? and on what Rule; Law and authority they? - This
must be Reversed by Repealing the Same.

Suggestions

- (1) Suitable Capacitors must be provided at each Transformer in stead of at
Sub stations to safeguard the Up and down Power supply and to protect
consumer electrical goods.
- (2) Suitable Jumpers may be provided at Transformer to avoid obstruction
