**ORDER**

1. Sri. P. Venkata Ramana and several others stated to be the residents of rear side of 33/11 KV SS Markapur presented a complaint before this Forum during the Vidhyut Adalat conducted at Markapur on 15.11.2017. The complainants in their complaint have informed that they are residing rear side of the Markapur Town, 33/11 KV substation. 11 KV line is passing over the houses, due to which the residents are under the apprehension that the 11 KV line may cause accidents. Further the complainants have also expressed their difficulty in constructing first floor of the residences. They have also informed that at present the 11 KV line is an idle one and hence requested to dismantle the 11 KV line passing over the residences.
2. The Respondents. No.1 and 2 filed their written submissions jointly wherein they have submitted that soon after receipt of the complaint they have physically inspected the ground conditions and noticed that 11 KV Kondepalli feeder emanating from 33/11 KV Markapur Sub-Station was laid very long back to extend power
