If any Executive Engineer (EE) office receives requests from persons who have not earlier communicated their request to make their oral submissions, during any day of the hearing, the Executive Engineer concerned will communicate the same to the Commission through video conference, after all the persons scheduled to speak for the day are heard. Depending on the availability of time, such persons can make their submissions, with the permission of the Commission.

In case the hearings are completed before the scheduled time on any day, the objectors scheduled to present their views on the following day will be heard subject to their readiness. Further, depending upon the participation of the public, the Commission may curtail the timings mentioned in each day of the schedule mentioned above.

The public hearings on all three days (19.01.2023, 20.01.2023 and 21.01.2023) will be streamed live and can be watched by any person. The DISCOMS will publish the live link through various modes of communication to the public.
