This complaint came up for final hearing before this Forum through video conferencing on 14.12.2023 in the presence of the respondents and the complainant remained absent and having considered the material placed by both the parties, this Forum passed the following:

ORDER

01. The complainant during the Vidyut Adalat conducted on 14.11.2023 at Rajampet filed the complaint stating that they are having agricultural service connection No.38 in the name of his late father in T. Kammappalli Village and he applied for transfer of ownership of the said service

connection into his name on the death of his father and also to convert the said service from bill stop to live as he paid the entire arrears of consumption charges but the respondents did not consider his request.

02. The said complaint was registered as C.G.No.63/2023-24 and notices were issued to the respondents who in turn submitted their response stating that they changed the status of service from bill stop to live but transfer of the name of the service connection will be done only after production of death certificate of the father of the complainant and No Objection Certificate from the other legal heirs of the deceased father of the complainant and informed the same to the complainant but he did not produce the said documents till now.
03. Heard the respondents through video conferencing. Complainant remained absent during the hearing.
04. According to the respondents it seems that the status of the service connection of the complainant was changed from bill stop to live. However, the respondents could not effect the transfer of the name for want of death certificate of the father of the complainant and No Objection Certificate from the other legal heirs of the deceased. This Forum opines that the complainant cannot ask for transfer of the name without producing the copies of the required documents referred supra and the respondents can not
