During the meeting by the Principal secretary Energy on 09-08-2017, it is decided to promote the digital payments through BHIM APP and BHARAT QR modes. These digital modes of money transfer are the digital initiatives of Govt. of India through National Payment Corporation of India.(NPCI). As a part of promoting digital payment of CC charges, the Principal Secretary desired that all the electricity employees of APSPDCL to make payment of their electricity bills through the above digital means only.

BHIM APP is available in play store (for android User) and App Store (for Apple User). The steps for initial registration process are given in NPCI portal at the following webpage.

**[http://www.npci.org.in/BHIM Product Overview.aspx](http://www.npci.org.in/BHIM_Product_Overview.aspx)**

Once registration in BHIM app is completed, the CC charges payment can be done through the APSPDCL website/Mobile App with the help of BHIM App. The BHIM App and Bharat QR options are available in billdesk payment page of [www.apspdcl.in](http://www.apspdcl.in) website.

In view of above, instructions are hereby issued to all the employees of APSPDCL to make payment of their monthly electricity bills through BHIM APP and BHARAT QR modes only without fail.
