Sub: Request to arrange for issuance of E-Way Bill by the TKC for transportation of sample taken from DISCOMS/PDs for testing at NABL laboratories by PFC-TPQMA for RDSS Scheme.

Sir/Madam,

In line with the RDSS guidelines, PFC has appointed TPQMA (Third Party Quality Monitoring Agency) to carry-out the Field Material Quality Testing & Inspection (FMQI) as well as Field Quality Inspection (FQI) in respect of RDSS Scheme being implemented by the DISCOMS/PDs as detailed below:

Packages	States/UT Covered	PFC-TPQMAs
Package 2	Gujarat & Jharkhand	M/s Voyants Solutions Pvt. Ltd.
Package 3	Maharashtra	M/s Mercados Energy
Package 4	Haryana, Punjab & Delhi	M/s Voyants Solutions Pvt. Ltd.
Package 6	Andhra Pradesh, Puducherry	M/s Wapcos Ltd
Package 1	Madhya Pradesh	Under approval for award of work
Package 5	Kerala, Uttarakhand & HP	

All the aforementioned PFC-TPQMA's have already started carrying out their work which involves picking up of samples from site/Discom stores for the identified category A items (namely, DTR, Cable, Conductor, Insulator & poles). It is informed by the PFC-TPQMA that in order to transport the samples from DISCOMS to NABL laboratories e-way bill for the samples are required. As you are aware that PFC-TPQMA is not the owner/Manufacturer of said materials so they are unable to generate e-way bill. Failing to produce the needed e-way bill by the PFC-TPQMA to government authorities would attract penalties and unnecessary delay in transporting of samples at the NABL laboratories.

In view of the above, it is requested to direct the concerned person of the Discom or the Turnkey Contractors to arrange to generate the needed e-way bill for transporting the selected sample of materials from Discom to the concerned NABL laboratories as well as to bring back the tested materials from NABL labs to Turnkey Contractors stores after testing of the materials for each of the inspection calls issued by PFC to PFC-TPQMA.
