APSPDCL::TIRUPATI**

P A R T - I

Name of work: " Construction of compound wall in place of Barbed wire fencing at 33/11 KV Outdoor substation Vartha in Kurnool Town Division of Kurnool circle ".

D) GENERAL CONDITIONS:-

The work of " **Construction of compound wall in place of Barbed wire fencing at 33/11 KV Outdoor substation Vartha in Kurnool Town Division of Kurnool circle** " to be executed under this contract is of only those who had previous experience in executing works of similar nature and magnitude and having necessary competent technical personnel, machinery other necessary equipment, tools and plant should quote for the work. The tenderer should furnish along with their tender the details of previous experience in similar works, details of equipment, tools and plant, financial capacity and technical personnel with experience available with them in the schedules enclosed. The tenderers should themselves have the necessary experience. Any statements to the effect that they will be collaborating or forming consortium with some experienced firm instead, will not be accepted

1. The work of " **Construction of compound wall in place of Barbed wire fencing at 33/11 KV Outdoor substation Vartha in Kurnool Town Division of Kurnool circle** " is to be completed strictly according to the programme given. No extension of time beyond the contract period stipulated in the specifications will be given except for reasons contributing to the delay for which the contractor is not responsible.
2. Tenders received from those not having the required previous experience, technical personnel, machinery and other equipment, tools and plant and financial capacity shall not be considered. To ensure this, the following procedure will be adopted in submission of sealed tenders.
3. The tenders shall be submitted in a sealed envelope.
4. The following information should be clearly written on outer envelope.
 1. Name of work :
 2. Tender against enquiry Tender Notice No:SPCORP/CGM/P&MM & CIVIL/TPT/ No. 39/2024-25,Dt:- 31 -01-2025 and Specification No.CIVIL-SPWT. 69 /2024-25 of CGM/ P&MM & CIVIL / APSPDCL/ Tirupati.
 3. Due date and time for submission:
 4. Details of EMD/Bid Security:
 5. Validity:

6. From address:-Name and address of the tenderer along with phone nos and FAX Nos.
7. To address:- The Chief General Manager, P&MM & CIVIL, APSPDCL, D.No.19-13-65/A, Kesavayana Gunta, Behind Srinivasa Kalyanamandapams, Tiruchanur Road, Tirupati-517 503.

Tenders not super scribed as above are liable to be rejected.

Hard copies received after the deadline date & time, prescribed even though the bidder uploads the bid in the e-procurement platform will be summarily rejected and/or returned unopened to the bidder.

Tenders not super scribed as above are liable to be rejected.

5. The bid should contain financial capacity, a record of previous experience of the tenderer, particularly in the type of work to be executed under this specification, equipment, machinery, tools and plant, technical personnel available with the tenderer and his qualification and details of financial standing and commercial terms i.e., terms of payment, if any at variance from APSPDCL terms specified.
6. Normally, the tenderer should not differ from the terms, conditions and technical specifications incorporated in the tender documents of APSPDCL for this work. **In case these are departed in tender, the same should be specified in Bid, and the tenderer must invariably indicate the definite financial effect of each condition/deviation.** The financial effect so indicated will be taken into account in evaluating his tender, and if the actual expenditure during execution is found to be more than that indicated by the tenderer, the excess expenditure will be to the account of tenderer. Conditions/deviations stipulated by the tenderer without financial assessment will not be accepted and the tender will be deemed to be incomplete and is liable to be rejected.
7. APSPDCL does not generally entertain any request for advance for the work. In case the tenderer requests for any advance for the work, the amount of advance desired and the rate of interest which the tenderer proposes to pay and the mode of recovery should be indicated
8. In opening the tenders, only those tenders, which contain the full information and which comply with the requirements will qualify for opening of tenders. In this regard, the decision of APSPDCL is final.
9. The tender percentage quoted in the schedule 'A' for all items shall be firm till the completion of work.
10. Tenders after opening is found to contain deviations from the information furnished, the tender is liable to be rejected.

11. **Each tenderer must pay Earnest Money Deposit/Bid Security as follows :**

- i) Tenderers shall pay **1.0% (one percent)** of the value of work by way of online payment in favour of “Accounts Officer, CPR, APSPDCL, Corporate office, Tirupati” through an e-procurement.
- ii) The Earnest Money Deposit/ Bid Security will be refunded to the unsuccessful tenderer along with intimation of the rejection of the tender or at the expiry of 120 days from the date of tender whichever is earlier.
- iii) The Earnest Money/ Bid Security will not be received in cash by the officer receiving tenders.
- iv) The Earnest Money/Bid Security will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

12. Tenderers are not permitted to withdraw their or his offer once made for a period of **120 days (One hundred and twenty days)** after the opening of the tender and in the event of such tenderers withdrawing their tenders within 120 days after opening of tender the Earnest Money deposited by him/them will be forfeited by the APSPDCL.

13. Deleted.

14. Tenders without Superscription of having enclosed proof of Earnest Money Deposit/ Bid Security paid through online and the validity of the offer on the envelope of tender will be returned unopened.

15. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the office of the Chief General Manager, P&MM & CIVIL, APSPDCL, Corporate Office, Tirupati before the end of the period specified by written intimation to him. If the tenderer fails to attend the office before the end of the period specified, his tender will not be considered. He shall forthwith upon intimation being given to him by the Chief General Manager, P&MM & CIVIL, APSPDCL of acceptance of his tender, attend the office of the Chief General Manager, P&MM & CIVIL, Corporate Office, Tirupati and sign an agreement in the proper departmental form for the due fulfillment of the contract. The contractor is bound by the specifications of APSS, and the contract shall be deemed to be concluded when the agreement has first been signed by the contractor and then by the proper officer authorized to enter into contracts on behalf of APSPDCL.

16. The tenderer should invariably furnish the particulars in the prescribed proforma, in the annexure I to VIII of the tender. which alone shall be considered. Information furnished in any other format is liable to be ignored. If space provided in the schedule is not sufficient, tenderer shall attach separate sheets containing all the information asked for, in the same format as per the annexure I to VIII.

17. List of documents submitted with bid shall be indicated in the covering letter.
18. Incomplete tender offer is liable to be rejected.
19. Evidence in support of the details furnished under the schedules shall be enclosed to PQB. In respect of construction equipment available with contractor, he must indicate which of the available equipment he proposes to mobilize for the work. The details of the ownership of the equipment are also to be furnished in Pre-qualification Bid. Statements that the contractor will hire the equipment from other agencies after award of work will not be entertained and such tenders are liable to be rejected.
20. The tenderer should furnish the details of the personnel / consultants who shall be involved in the execution of the work.
21. The Tenderer should clearly indicate how he propose to execute this work etc. in Part I, Pre-qualification Bid. He shall furnish a detailed write up regarding the working procedure along with supporting details.

II) QUALIFICATION CRITERIA:-

The tenderer should satisfy the following conditions for quoting the tender.

1. WORK EXPERIENCE:

- i) The tenderer should have completed satisfactorily as a prime contractor, similar works of value not less than 50% of the estimated value of contract in any one year during the last five years.
- ii) **SOLVENCY**:-Must have solvency for 50% of estimated value or the bidder should produce evidence from its bankers that it has about 50% of estimated value liquid/credit facilities necessary to perform the contract. (Solvency certificate is valid for one year only from the date of issuance)
- iii) Should enclose satisfactory performance certificate from the Engineer concerned in respect of works on hand with all details as per the Annexure-III

2. REGISTRATION & ELECTRICAL LICENSE:-

- A. Shall be registered with any of the three DISCOMs (APSPDCL, APCPDCL & APEPDCL) APTRANSCO or APGENCO or R&B or Panchayat Raj departments of A.P in **Civil** category with relevant class.
- B. Should enclose valid electrical license of 'B' or 'A' Grade issued by the AP Electrical Licensing Board.

3. **EQUIPMENT**: The tenderer should own the following minimum equipment for carrying out the work and be able to mobilize the same with in 15 (fifteen) days after awarding the work.

- a. Mixers 1 Nos. (Diesel Driven)
- b. Vibrators 2 Nos. (Petrol Driven)
- c. Tippers/Trucks 1 No
- d. Form work and centering material and other allied equipment adequate for the given plinth area of the building.

4. CONSULTANCY SERVICES:- Deleted.

Note:

- 1) The list of equipment mentioned above is not exhaustive and the successful bidder shall be able to mobilise any additional tools, plant and equipment required to get the desired progress on the work.
- 2) The tenderer shall furnish along with his tender the details and authenticated certificates in support of the same in respect of the items (1) and (2) mentioned above. Such details and certificates shall be enclosed to the tender.
- 3) The decision on opening of the bid will be finalized based on the information furnished by the tenderer along with the bid and no further correspondence will be entertained regarding work experience, ownership of equipment etc.,
- 4) The tenderers should themselves have the necessary work experience. Any statement to the effect that they will be collaborating with some experienced firm will not be accepted. The Sub Contractor's / GPA holder's experience shall not be taken into account in determining the bidders compliances with the qualifying criteria.

Even though the tenderer meets the above qualification criteria, he/ she is subject to be disqualified if he/ she is found to have misled or made false representation in the forms, statements submitted in proof of the qualification requirements or record of poor performance such as abandoning works, not properly completed in the contract, inordinate delays in completions, litigation history and or financial failures and/ or participated in the previous tendering for the same works and had quoted unreasonably high and bid prices. In addition to the above, even while execution of the work, if found that the contractor had produced false/ fake certificate of experience, he/ she will be black listed and work will be taken over invoking clause 60 (a) of PS to APSS.

Tenders shall be valid for a period of 1/2/3 months as the cause may be. Before the expiry of the validity, the authority competent to call for tenders shall seek for further extension of validity from the contractors and in case the validity is not extended his/ her tender will not be considered and the EMD/Bid Security shall be returned. During the period of validity if any tenderer withdraws his tender, his/ her EMD/Bid Security shall be forfeited.

GENERAL TERMS & CONDITIONS

1. Tenders must be submitted in sealed covers and should be addressed to the Chief General Manager, P&MM & CIVIL, APSPDCL, Corporate Office, Tirupati-517 503, the name of the tenderer and the name of the work being noted on the sealed covers.

2. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the office of the Chief General Manager, P&MM & CIVIL, APSPDCL, before the end of the period specified by written intimation to him. If the tenderer fails to attend the office before the end of the period specified, his tender will not be considered. He shall forth with upon intimation being given to him by the Chief General Manager, P&MM & CIVIL, APSPDCL, of acceptance of his tender attend the office of the Chief General Manager, P&MM & CIVIL and sign an agreement in the proper departmental form for the due fulfillment of the contract. The contractor is bound by the specifications of APSS.

3. An amount of 1.0% of the value of contract shall be paid as EMD/ Bid Security through online payment at the time of submission of tender and balance 4.0% as security deposit by way of Demand Draft at the time of entering into the agreement. **EMD/ Bid Security and Security Deposit amounts will be released after completion of guarantee period of 24 months on satisfactory performance of the work.** Further 5% of the value of work done will be recovered from the running bills as Retention amount for the due fulfillment of the contract, and the amount so recovered will be refunded to the contractor after completion of work along with the final bill. This amount will not bear any interest.

4. Failure to enter into the required agreement or to make the Security Deposit as defined in the above paragraphs shall entail forfeiture of the earnest money/cancellation of Registration. The written agreement to be entered into between the contractor and the APSPDCL shall be the foundation of the rights of both parties and the contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by the proper officer authorized to enter into contracts on behalf of APSPDCL.

5. If the successful tenderer fails to sign the agreement or otherwise commit default, the APSPDCL shall have the right to recover damages according to law apart from forfeiting the earnest money/cancellation of Registration.

6. The tenderer shall examine closely the APSS and also the standard preliminary specifications contained therein, and sign the office copy of the APSS and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished works in-situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The APSS and other documents connected with the contract such as specifications, plans descriptive specification sheet regarding materials etc., can be seen

at any time between 11.00 a.m. and 5-00 p.m. on working days in the office of the Chief General Manager, P&MM & CIVIL, APSPDCL, Corporate Office, Tirupati-517 503.

7. The tenderer's attention is directed to the requirements for materials under the clause 'Materials and Workmanship' in the 'Preliminary Specifications Materials conforming to the ISS' shall be used on the work, and the tenderer shall quote his rates accordingly.

8. Every tenderer is expected before quoting his rates, to inspect the site of the proposed work. The materials must comply with relevant standard specification. Samples of materials as called for in the standard specifications or in these tender conditions, or as required by the Executive Engineer/Civil, in any case shall be submitted for the approval of Executive Engineer/Civil before the supply to site of work is begun.

9. If further necessary information is required, the Chief General Manager, P&MM & CIVIL, Corporate Office, Tirupati will furnish such information. The APSPDCL will not however, after acceptance of a contract rate, pay any extra charge for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the tenderer is directed to the standard preliminary specifications regarding payment of Seigniorage, tolls etc.

10. The tenderer's particular attention is drawn to the sections and clauses in the standard preliminary specifications dealing with:

1. Test, inspection and rejection of defective materials and work:
2. Carriage :
3. Construction plant :
4. Clearing up during progress and for delivery
5. Accidents :
6. Delays :
7. Particulars of payment :

The contractor should closely peruse all the specifications, clauses which govern the rates which he is tendering.

11. A bill of quantities accompanies this tender notice. It shall be definitely understood that the APSPDCL does not accept any responsibility for the correctness or completeness of this schedule and that this schedule is liable to alterations omissions, deductions, or additions at the discretion of the Executive Engineer/Civil in-charge or as set forth in the conditions of contract. The schedule accompanying the lumpsum tender shall be written legibly and free from erasures, over writings or conversions of figures, corrections, where unavoidable should be made by scoring of the original and rewriting legibly with initial and date.

12. Tenderers offering percentage deductions from or increase on the estimate amount, and those not submitted in proper form or in due time are liable to be rejected. Rates or lumpsum amounts for items not called for shall not be included in the tender. The tender shall not make any alterations in the contract form, the conditions of contract, the drawings, specifications or quantities accompanying the tender. The same if made will not be recognized and tender will be rejected.

13. The tenderer should work out his own rates, without reference being made to the Department current schedule of rates or the estimate rates. In the Schedule rates of all the items of work as per department estimate rates are given. The tenderer has to quote (a) less over estimate rates or (b) excess over estimate rates or (c) accept department estimate rates.

14. The contractor has to procure all materials required for the work at his own cost. The quoted rates shall include all the components required for work, labour, tools and tackles etc., for finished item of work.

15. Period of Contract:- **2 months**

- i. If due to any other reasons beyond the control of the contractor, the progress is slow during any period above, the same shall be made up in subsequent periods and the program shall be complied within minimum possible time.
- ii. The Executive Engineer/Civil in-charge shall direct the sequence and pace of the parts of the work and the contractor shall comply with them. Payment will be effected as per actual work completed and billed for.
- iii. The construction programme/ milestones for the works envisaged in the specification is indicated below:

Sl. No	Period after date of commencement	% of the work to be completed based on contract amount
1.	At the end of 1 month	50 %
2.	At the end of 2 month	100%

16. PENALTY:- If the contractor fails to complete the work with in the agreement period from the date of handing over of the site, the contractor shall pay penalty at the rate per week that the Completion Date is later than the intended Completion Date or part there of (for the whole of the works or milestone as stated in the Schedule). The penalty for whole of the works are @ Rs. 0.5% per week of delay or part there of on the balance contract amount and that for the milestone. The maximum amount of penalty for the whole of the works is 5% of final contract price. The Employer may deduct penalty from

payments due to the contractor.

17. The Chief General Manager, P&MM & CIVIL or other sanctioning authority reserves the right to reject any tender in full or part or all the tenders without assigning any reason there for. The quoted rates shall be binding on the tenderer even if the Chief General Manager, P&MM & CIVIL awards part of the work.

18. Preference in the selection from among the tenderers will be given, other things being equal, to those who are themselves professionally qualified or who undertake to employ qualified men at their cost to look after the work, who have got experience in similar works and enough equipment. The tenderer should therefore state in clear terms whether they are professionally qualified or whether they undertake to employ technical staff and if so, to give their professional qualifications or of the staff to be employed and their experience etc. In case the selected tenderer is one who has undertaken to employ technical staff under him, he should see that one of the staff is always at site of the work during working hours, personally checking all items of work and devote extra attention of such works as may demand special attention.

19. A tenderer submitting a quotation which the tender accepting authority considers excessive and/or indicative of the insufficient knowledge of current prices or definite attempt of profiteering will render himself liable to be debarred permanently from tendering or for such periods as the tender accepting authority may decide. The tender rates should be based on the controlled price for material if any fixed by the Government or the reasonable price permissible for the tenderer to charge a private purchaser under the provisions of clause 8 of Hoarding & Profiteering Prevention Ordinance, 1943 as amended from time to time and on similar principles in regard to labour and supervision in the construction.

20. The form of contract will be Lumpsum.

21. The tender shall be valid for acceptance for a period of not less than 120 days from the date of opening the tenders. The tenderers should also indicate the validity period on the envelope. Tenders giving validity of less than 120 days are liable to be rejected.

22. **The contractor is bound to execute all supplemental items that are found essential, incidental and inevitable during execution of main works as per directions of Executive Engineer/Civil, at the rates to be worked out as detailed below:**

a) **Supplemental items directly deducible from similar items in the original agreement :-**

The rates shall be derived by adding to or subtracting from the agreement rates of such similar items, the cost of the difference in quantity of material or labour between the new item and the similar item in the agreement worked out with reference to the schedule of rates adopted in the sanctioned estimate with which the tenders were compared plus or minus overall tender percentage.

b) New Item:-

- i. Similar items the rates of which cannot be directly deduced from the original agreement.
- ii. Purely new item which do not correspond to any item in the agreement. The rate shall be estimate rate plus or minus overall tender percentage.

NOTE:- The term estimate rate used in (i) and (ii) above means the rate in the sanctioned estimate with which the tenders were compared or if no such rate is available in the estimate, the rate derived with reference to the schedule of rates adopted in the sanctioned estimate with which tenders are compared.

- c) Addition of provision towards importation of labour, labour amenities, dewatering etc. in working out supplemental items If the new item is in substitution of an old item which allowed for importation of labour, labour amenities, dewatering etc, those factors may be taken into account in computing the substituted items also at the same rates at which they were originally provided.

In respect of new items the case has to be considered on its merits and provision for importation of labour, labour amenities, dewatering etc., has to be fully justified.

- d) Fixation of rates for items of work in excess of quantities in Schedule Bill of quantities of tender. The rates quoted by the tenderer shall hold good up to 10% of quantity over those given in bill of quantities. For all items of work which are in excess of 10% over and above the quantities shown in Schedule -A Bill of quantities of the tender, the rate payable for such excess quantities during the currency of agreement period shall be either tender rates or SS rates for the items plus or minus overall tender percentage accepted by the competent authority whichever is less. The SS rates means the rates with which the estimate is prepared for comparing the tenders.
- e) Fixation of rates for intermediate payments for items of work whose quoted rates are high. For all items of work, the quoted rates of which are high, intermediate payments will be made provisionally at the estimate rates plus or minus overall tender percentage. Full accepted agreement rates will be paid only after all the items of work are completed or earlier at the discretion of the Chief General Manager, P&MM & CIVIL. The tender accepting authority will decide each item the rates of which are considered to be high for the purpose of this clause and his decision shall be final and binding on the contractor.
- f) Normally the APSPDCL will not accept any condition at variance from those specified in this specification. However, for any reason, if a tenderer wishes to introduce any condition not specified in the tender documents, the tenderer must submit the conditions in the bid. The

tenderer must invariably indicate the definite financial effect of each of the condition. The financial effect so indicated will be taken into account in evaluating this tender and if the actual expenditure during execution is found to be more than that indicated by him the excess expenditure will be to his account i.e. it will be adjusted in the bills to be paid to him. Conditions stipulated by tenderers without corresponding financial assessment will not be considered and the tender will be deemed to be incomplete and is liable to be rejected.

22. The contract is liable for cancellation if either the contractor himself or any of his employee is found to be a Gazetted Officer of the Government or APSPDCL, who retired from service and had not obtained the permission from the Government or APSPDCL for accepting the contract or employment within a period of two years from the date of his retirement.
23. The contractor will at all times duly observe the provisions of employment of Children Act XXVI of 1938 and any re-enactment or modification of the same and will not employ or permit any persons to do any work for the purpose or under the provisions of the said Act. The contractor shall agree to indemnify the APSPDCL from and against all claims. Penalties which may be suffered by the APSPDCL or any person employed by the Department by reason of any default on the part of the contractor in the observance and performance of the provisions of the Employment of Children act, XXVI of 1938, or any re-enactment or modification of the same.
24. The contractor shall indemnify APSPDCL against all claims which may be made under the Workmen's Compensation Act or any statutory modification thereof or rules there under or otherwise for in respect of any damage or compensation payable in consequence of any accident or injury sustained by any workmen engaged in the performance of the business relating to this contract. In all cases of personal injury to workmen employed by a contractor on this work for which the contractor is liable to pay compensation under the Workmen's Compensation Act, he shall pay the prescribed medical fee to the Medical Officer for issue of 'C' & 'D' forms as prescribed, failing which the said fee will be paid to the Medical Officer by the Department and recovery effected from the contractor's bills.
25. Preliminary specifications of APSS shall apply to all agreements entered by the contractor with APSPDCL and shall form an inseparable condition of the contract. The tenderer is expected to examine closely the relevant specifications of the APSS and the special specifications and ISS before submitting his unit tender rates.
26. Dewatering if necessary has to be done by the contractor to suit the requirement of the work
27. The rates to be quoted in the tender are to be on the assumption that the contractor will procure all the machinery and equipment required for the execution of the work.

28. Necessary arrangements have to be made by the contractor at his own expenses towards hutting, accommodation, drinking water supply, health and sanitary arrangements and other amenities for the workers required as per the relevant rules and to the satisfaction of the public Health authorities and the Executive Engineer/Civil in-charge and land required for the purpose will have to be provided by the contractor at his cost.
29. In case of any discrepancy between unit prices and amounts as noted in the Tender schedule unit prices will govern. In case of any discrepancy between the rate quoted in figures and words, the rate quoted in words will govern.
30. All pages of the tender schedules, conditions, specifications, drawings etc., shall be signed by the tenderer at the left hand bottom corner and enclosed along with tender.
31. All correspondence after opening of the tender shall be made with the Chief General Manager, P&MM & CIVIL, APSPDCL, Corporate Office, Tirupati -517 503.

33 A) CESS & TAXES

- i) BWW Cess @ 1% excluding prices mentioned in the schedule-A
- ii) GST @ 18% excluding prices mentioned in the schedule-A

33 B) RECOVERIES:

Recoveries due from contractor shall be made from bills approved for payment every month or at other periods, when the bills are prepared for the various items in the following order of priorities and extents.

- i) penalty in full, if levied:
- ii) expenditure, if any, incurred by the APSPDCL on the contractor's behalf on labour or materials in full;
- iii) charges on account of supplies of materials like cement, steel etc., actually used upon various items of works billed for;
- iv) hire charges for machinery, if any;
- v) other recoveries;
- vi) recovery of advance and secured payments or payments for preliminary works in full or installment due if the same may have been allowed.

Outstanding recoveries, if any, shall be made from the succeeding bills with the provision that the out standing payment for any item shall for purpose of recovery, be added to the same item for recovery in the aforesaid succeeding bills.

All taxes, duties, Seigniorage charges as applicable etc, payable to the Govt./Quasi Govt. Bodies including sales tax on works contract /turnover at the rates as on the date of opening of tender are deemed to be included in the quoted prices. Statutory variations in the applicable rates or newly introduced taxes/duties will be to APSPDCL's account.

34. ARBITRATION:

Clause 73 OF PS TO APSS is deleted

- a. All and any disputes or differences arising out of or touching the order based on this specification shall be decided by a panel of arbitrators as detailed below and as per arbitration act No.1 of 1990 to the Arbitration Act 1940 amended vide G.O.No.7 dt.19-05-1990.

Value of claim

Panel of arbitrators

i) Disputes involving amounts up to Rs. 10,000/- and below.

Superintending Engineer of the of the APSPDCL other than the circle to which the disputes relate

ii) Disputes involving amount from Rs.10,000/- to Rs.50,000/-

Any General Manager of the APSPDCL.

There shall not be any reference of disputes, the value of which is` above Rs.50,000/- to arbitration. The parties shall approach the competent Civil Courts having jurisdiction, if any such disputes shall arise. Clause No. 73 of P.S. to APSS will not apply to this contract.

35. MATERIALS TO BE FURNISHED BY THE CONTRACTOR:

The contractor will be required to procure all the materials necessary for completion of the work. The contractor will be required to handle all these materials. The cost of the materials should include the cost of handling and

36. BILL OF QUANTITIES

- a) The quantities here given are those upon which the Lumpsum tender cost of the work is based but they are subject to alterations, omissions, deductions or additions as provided for in the conditions of this contract and do not necessarily show the actual quantities of work to be done. The unit rates noted below are those governing payment of extras or deductions for omissions according to the conditions of the contract as set forth in the preliminary specifications of the A.P. Standard Specifications and other conditions and specifications of this contract.

- b) It is to be expressly understood that the measured work is to be taken net (not withstanding any custom or practice to the contrary) according to the actual quantities when in place and finished according to the drawings or as may be ordered from time to time by the Executive Engineer/Civil and the cost calculated by measuring or weight at the respective prices without any additional charges for any necessary or contingent works connected therewith. The rates quoted are for works in situ, complete in every respect and are firm not subject to adjustment with variation in cost of materials or any other factors affecting prices and services.
- c) The rates given in the tender will be binding on the contractor till the work is completed and increase in quantities for the individual item of work up to plus 10 % (ten percent) over the corresponding quantities given in this bill of quantities.
- d) For all items of work which are more than 10% in excess of the quantities shown in the bill of quantities the rate payable for excess quantities beyond 10% shall be worked out with reference to the provision made in clause 22 as above.
- e) The items of work in Bill of Quantities are based upon the estimates done by the department. If in the opinion of the contractor, any more items of work beyond those provided the Bill of Quantities are necessary to complete the work as specified under 'Scope of the works' he should furnish details of such items of work and quote his rates for the same.
- f) All consultancy charges, seigniorage charges, local cess, royalty & toll gate charges, Sales tax on materials, works contract tax, provision towards EPF etc are to be borne by contractor and he/they shall include these charges in his/their quoted rates.

37. PRICE ADJUSTMENTS:

The price adjustment for steel and cement is applicable as per G.O. Ms. No.94, Dt.16-4-2008 and amendments thereon.

SITE CONDITIONS

LOCATION AND GENERAL DESCRIPTION

The location of the Office building is shown in the index map.

1. SITE CONDITIONS:

Before submitting the tender, the tenderer shall familiarise himself with the site conditions.

2. APPROACH ROADS:

A net work of roads in the office building area as shown on general plan. The Contractor shall, at his own cost construct and maintain any additional approach roads or access roads on the site work as he may deem necessary and as approved by the Executive Engineer/Civil in-charge and shall allow the free use of the same by the department.

3. WATER SUPPLY:

The contractor will have to make his own arrangements at his own cost for arranging supply of water for works and treated potable water to his employees. He shall have to take all measures required for the purification of water in accordance with the general rules and regulations of the Public Health Department.

Suitable arrangement shall be made by the contractor for drainage of rain and other water around his colony and work spots to the satisfaction of the Executive Engineer/Civil in-charge and Public Health Department.

4. STORAGE AND HANDLING FACILITIES:-

The land required for storage of contractor's materials plant and equipment as assessed by the Executive Engineer/Civil will be allotted free of cost. All temporary stores shelters and other structures necessary for security and protection of the contractor's materials, plant and equipment shall be arranged by the contractor at his own cost.

5. POWER FOR CONSTRUCTION:

The supply of electrical energy will be provided by the department as per the existing tariff (rates) of APSPDCL. The contractor has to get the power supply connection by paying required deposit and has to pay monthly bills as per the rules in vogue. No claim for non supply of power is admissible.

The contractor shall at his own cost make arrangements for further distribution to his various work sites. In this regard, he shall comply with all the rules applicable to Electricity installation.

6. CLEARING UP THE SITE:

During construction, the contractor shall keep the work site and storage areas used by him free from accumulations of waste materials or rubbish and before completing the works the contractor shall, at his own cost remove or dispose off in a manner satisfactory to the Executive Engineer/Civil in-charge. At the work site, there shall be maintained in a readily accessible place first aid medicines including an adequate supply of sterilized dressing and sterilized cotton wool. The appliances shall be kept in good order. They shall be placed under the charge of a responsible person who shall be readily available during the working hours.

7. UTILITIES & AMENITIES.

The utilities and amenities mentioned herein above shall be available on the terms & conditions specified or as may be in force from time to time subject to availability. The APSPDCL will attempt to maintain these services un-interrupted but no claim or compensation shall be made against APSPDCL for any break downs, interruptions, stoppage, reductions, accidents etc.

8. DUMP AREAS:

Materials obtained for the work shall be dumped in the areas as indicated by the Executive Engineer/Civil from time to time. The contractor shall form and maintain access roads, drainage and diversion of nallah as necessary at his own expense. The use of the land under the dump areas and the access roads shall be free of charge.

9. OTHER CONTRACTORS:

In the matter of dumps, access roads, drainage, diversion and the like, the contractor shall take into consideration the needs and requirements of the other contractors if any working in the vicinity. Further, the contractor shall not take or cause disruption, discontent or disturbance to the work, labour or arrangements etc., of other contractors in the neighboring and the project localities. Any action by the contractor which the Executive Engineer/Civil in his un-questioned discretion may consider as infringement of the above code would be considered as a breach of the contract conditions and the Executive Engineer/Civil may take such action as he may deem fit against the contractor and the action taken shall be considered as final and binding on the contractor.
