	Sir,

Lr.No. CE/IPC/F IPC 1/Solar rooftop/Addendum/D.No. 365 /13,dt. 02 . 12.2013

Sub: IPC Wing – Solar- Addendum to the guidelines issued for implementation of solar rooftop net metering scheme – Communicated – Reg.

- Ref: 1) GO MS No. 58, dt. 25.10.2013,
2) GO MS No. 27, dt. 19.06.2013,
3) GO MS No. 22, dt. 25.03.2013,
4) Lr.No. CE/IPC/Solar/F.Rooftop Netmetering/D.No. 479/A/ 13, dt. 07.08.2013.
5) Lr.No. CE/IPC/Solar/F. Rooftop Netmetering / D.No. 458/13, dt. 30.07.2013

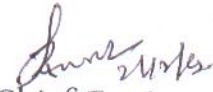

Pursuant to the Solar rooftop Net metering policy launched by GoAP vide references 2nd & 3rd cited, certain Guidelines were communicated to all DISCOMs for implementation of the Solar net metering scheme in the State vide reference 4th & 5th cited.

Further, it is to inform that the GoAP has issued amendment orders to the Solar rooftop net metering policy vide reference 3rd cited by making eligible of single phase domestic consumers to set up solar rooftop plants upto 3 KW with a provision of bearing 50% cost of net meter by APDISCOMs upto a capacity of 3 KW.

In this regard, it is to inform that the undersigned is directed by APPCC to communicate the **Addendum** to the guidelines issued for solar rooftop net metering scheme consequent to the GoAP amendment vide reference 3rd cited for implementing the same.

As such, it is requested to communicate the same to concerned filed authorities as to the GoAP amendment and subsequent **Addendum** to the Solar rooftop guidelines to have capacity addition in the sector. Also, it is requested to place the same in official websites of APDISCOMs for wider publicity and to build awareness among consumers in the area.

Yours faithfully,

Chief Engineer/IPC

Addendum to the Guidelines for
implementation of Net Metering for
Rooftop Solar Power System.

1. Net metering is preferred for 3 phase service consumers in the DISCOM area. However, Single phase service consumers are also eligible for establishing solar rooftop systems upto a capacity of 3 KW, utilizing net metering facility.
2. APDISCOMs will bear the 50% cost of Net meter for the capacity up to 3KW for domestic consumers, whoever commissions it before 31.03.2014.

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Energy Department – Policy on Net Metering for Solar Grid Interactive Roof-top and Small SPV Power Plants in the State – Amendment – Orders – Issued.

ENERGY (RES –A1) DEPARTMENT

G.O.Ms.No. 58

Dated:25 -10-2013

Read the following:

1. G.O.Ms.No.22, Energy (RES-A1) Department, dt. 25-03-2013.
2. Lr No.CMD/CE/IPC/F.IPC 1/Net metering/ D.No.584/13
Dt 27-9-2013 from Chairman/ APPCC & CMD APTRANSCO.

State Government have issued orders for net metering to encourage harnessing of Solar Power through rooftop installations.

2. In the 2nd reference read above, Chairman, APPCC/CMD, APTRANSCO has requested for certain amendment to the policy to encourage the implementation of the above policy. They have proposed for permission to extend Net Metering schemes for single-phase service meters up to certain capacity and provision for bearing of 50% of Net Metering cost for installation of Solar Power system up to 3 KW for those consumers who commission it before 31-03-2014.

3. After careful consideration of the above proposal, Government hereby orders the following amendments to the above orders.

Para 3 (III) shall be read as

"Net Metering facility shall be preferably allowed for 3 Phase service consumers. However, Single Phase consumers are also eligible for Net Metering for setting up Solar Roof-top Systems up to 3 KW".

A New clause 3 (X) shall be added as follows:

"APDISCOMs will bear 50% of cost of meter for net metering for Solar Roof-top System of capacity up to 3 KW for those domestic consumers who commission it before 31.03.2014.

4. The Chairman & Managing Director, APTRANSCO & APDISCOMS are requested to take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
